We recently use the services of Ronnie and his team at Skill Haus.

Initially this was a job I was planning on doing myself as I thought the work load was to small for a company to quote. Due to time constraints it was obvious I was not able to undertake the work myself and therefore asked Ronnie for a quote, this was done punctually and before I knew the work had begun. Ronnie carried our most of the work early morning before the shop was open, therefore causing as little disruption as possible to our working day.

The finished result is nothing less than perfection and I would have no hesitation in recommending Ronnie and Skill Haus decorating Services in the future.

Best Wishes

Michael Colclough
