Testimonial

We recently asked Ronnie to visit our little abode to improve its looks!! He quoted a good price for decorating our hall stairs landing and loo. However as a result of BNI and previous testimonials I knew I could trust Ronnie and PG Décor to do a great job as we wanted the work carrying out whilst we were away on holiday.

Ronnie was helpful with colour suggestions; we made our choices and handed the keys over to him to work his magic!

We walked back in after our trip to a new hall stairs and landing all finished clean and tidy. We were delighted with how it looked and very impressed with the work. We would recommend anyone who wants great workmanship reliable clean tidy decorating done to use PG Décor.

Yours sincerely
